

sakib devlekar

Adaptable

Innovative

Networker

Thinking

Analysing | Exploring

sakib is curious and likes to explore new ideas and approaches. When faced with a problem, sakib tends to think out of the box and enjoys considering a wide range of alternatives. sakib looks for opportunities to learn and thrive in roles which offer them novelty and variety. On the flip side, sakib may get bored in routines and at times may be perceived as overly optimistic or having impractical ideas.

sakib prefers to take decisions based on feelings or instinct rather than rely on evidence. As a result, sakib tends to pay attention to different views and opinions rather than spending their time analysing data.

Connecting

Networking | Collaborating

sakib is someone who feels at ease when connecting with new people and generally has a well-developed network.

sakib tends to keep their opinions to themselves and avoids getting involved in problems of their co-workers. sakib can be quite competitive and may be skeptical about people unless proven otherwise. sakib may take decisions without considering the viewpoints of others.

Executing

Quality | Result Driven

sakib tends to be systematic, methodical and organised and delivers within deadlines. sakib is reliable and disciplined and driven to achieve their goals.

sakib pays attention to details and enjoys delivering work that is of a high standard.

Progressing

Leadership | Resilience | Adaptability

sakib is comfortable with working in rapidly changing environments.

sakib enjoys discovering new cultures and approaches and the learning opportunities these bring.

sakib enjoys being in charge and is lively and talkative in groups. sakib is comfortable sharing their ideas and tends to be assertive and dominant.

sakib is focused and drives their team towards desired outcomes.

sakib may feel demotivated when faced with negative feedback or setbacks.
